Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication.

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. Authors need to provide more references, and all references should be sequentially/adequately arranged, as cited in the text.
3. Authors need to describe the conclusion section more elaborately.
4. Conflict of interest regarding article should be mention in the text.

Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication.

Reviewer 3: --

1. Paper should be written in JMCMS Journal format.
2. More table and graph representation are required
3. References and in-text citations are not in JMCMS format. Authors need to provide more references, and all references should be sequentially/adequately arranged, as cited in the text.
