

IoT Based Saline Level Monitoring System

Reviewer 1: --

1. In several sections sentences has spelling and grammar mistakes, which needs to be corrected.
2. In several sections sentences has space problem, which needs to be corrected.
3. Proper sentence construction in several sections to be modified.

Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication.

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. The introduction & literature review portions are too short; thus, it cannot reflect the objective of the paper. It is advised to the authors that try to add some significant contribution to these sections.
4. The paper describes the implementation of the "IoT Based Saline Level Monitoring System", where every section describes a few things. Authors are advised to write in a descriptive manner so that the reader can understand the concept.
5. The authors are advised to rewrite the system model properly so that the proposed model how it works can be clearly understood.
6. Authors need to Modify Abstract and conclusion more appropriately.
7. Conflict of interest regarding article should be mention in the text.

Reviewer 3: --

1. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged,
2. The abstract should be written in a precise manner, so try to reduce the size of the conclusion maintaining the paper's aim and objective.
3. Authors are advised to write the algorithm in a proper format else can draw the flow chart.
4. Conclusion should be written in a precise manner. Conclusion and literature review are too short, which does not specify the aim and objective of the paper.
5. Authors need to provide at least 20 references, and all references should be sequentially/adequately arranged, as cited in the text.
6. Conflict of interest regarding article should be mention in the text.
