

A Review on Active Learning Strategies Steered Effective Engineering “Teaching” in Practice Reviewer 1: --

1. In several sections sentences has spelling and grammar mistakes, which needs to be corrected.
2. In several sections sentences has space problem, which needs to be corrected.
3. Proper sentence construction in several sections to be modified.

Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication.

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. As this is a review paper, a state-of-art literature review should be present in your paper, which is missing. Hence, it is advised to authors to add this section in your paper.
4. Structure of the cognitive process dimension of the revised taxonomy, is provided in the paper as a picture format. It is advised to authors to place this as in a tabular form in an editable manner, not as a picture format.
5. As this is a review paper, authors need to provide at least 25 references, and all references should be sequentially/adequately
6. Authors need to Modify Abstract and conclusion more appropriately.
7. Conflict of interest regarding article should be mention in the text.

Reviewer 3: --

1. Paper should be written in JMCMS Journal format.

2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. Active Learning Strategies applies to all branches of academics, how this learning Strategy is an effective means of engineering education; this has to be established by the authors. Otherwise, the naming of the paper will not be justified.
4. Conclusion should be written in a precise manner. Conclusion is too short, which does not specify the aim and objective of the paper.
5. The Abstract and conclusion are needed to be Modified in accordance to fulfill the paper aim.
6. Conflict of interest regarding article should be mention in the text.
