

Microcontroller Based Monitoring LPG Leaks Using Microcontrollers

Reviewer 1: --

1. In several sections sentences has spelling and grammar mistakes, which needs to be corrected.
2. In several sections sentences has space problem, which needs to be corrected.
3. Proper sentence construction in several sections to be modified.

Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication.

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. Microcontroller Based Monitoring LPG Leaks Using Microcontrollers, in this naming microcontroller, came twice, which seems redundant. It may be "Monitoring of LPG Leaks Using Microcontrollers."
4. It seems that this work is basically a project turns in the paper. Thus, it is advised to the authors that instead of using project term, authors need to use paper.
5. Authors need to Modify Abstract and conclusion more appropriately.
6. Conflict of interest regarding article should be mention in the text.

1. Paper should be written in JMCMS Journal format.

2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. Similar types of works are also available. With respect to novelty, authors are advised to add a comparative study with existing similar implementation; otherwise, the research's impact is not established.
4. Actual circuit implementation is not given here. How the circuit is works that are also not described in the paper. So, authors are advised to add a process flow chart or algorithm and describe it very clearly.
5. The source of Figures 2, 3, and 4 are to cite appropriately.
6. Authors need to provide at least 20 references, and all references should be sequentially/adequately arranged, as cited in the text.
7. The Abstract and conclusion are needed to be Modified in accordance to fulfill the paper aim.
8. Conflict of interest regarding article should be mention in the text.
