### **Comments to Editor :**

1. After modifying the content, paper can be accepted for possible publication.

### **Reviewer 2: --**

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. In many places, sentences are started with abbreviations. When it is introduced for the first time, the full form should be given.
4. The equations should be typed only in equation editor.
5. Conclusion should be written in a precise manner. The discussion part needs to add in the result and discussion section.
6. remove extra space in "video's" word which is written in abstract section and the starting line is "The embedded information...."
7. Authors need to Modify Abstract and conclusion more appropriately.
8. Conflict of interest regarding article should be mention in the text.
