### **Comments to Editor :**

1. After modifying the content, paper can be accepted for possible publication.

### **Reviewer 2: --**

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. In this paper, the literature review is missing, so; current research is not sated in this paper. The authors need to discuss the literature study in the introduction. Authors are advised to add a comparative study with existing similar implementation; otherwise, the research's impact is not established.
4. Diagrams are not clear enough, so it is advised to authors to draw the diagrams clearly.
5. All the equations should be typed only in equation editor, some of are written some are not, and maintain the uniform size.
6. Authors need to Modify Abstract and conclusion more appropriately.
7. Conflict of interest regarding article should be mention in the text.

1. Paper should be written in JMCMS Journal format.

2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. Conclusion should be written in a precise manner. Conclusion is too short, which does not specify the aim and objective of the paper.
4. Authors are instructed to fulfil the copyright criteria of the Fig. 6. As copyrighted images should not be used in a paper without having a consent letter from the source copyright holder. Otherwise, it is advised to authors to draw a diagram yourself.
5. It is advised that authors need to write the implementation steps very clearly, as, how the circuit is constructed is not clearly stated. Device description is not essential, but how the circuit works that to be described properly by using an actual circuit diagram or flow chart, etc.
6. The Abstract and conclusion are needed to be Modified in accordance to fulfill the paper aim.
7. Conflict of interest regarding article should be mention in the text.
