## **Comments to Editor :**

1. After modifying the content, paper can be accepted for possible publication.

## **Reviewer 2: --**

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. In many places, sentences are started with abbreviations. When it is introduced for the first time, the full form should be given.
4. Authors need to Modify Abstract and conclusion more appropriately.
5. In section three, sentences end with few numbers of the full stop, which needs to be removed.
6. Authors are advised to rename the two-section headings, i.e., why we use cloud computing and issues. Authors may write the possible reasons to use cloud computing and Issues related to cloud computing.
7. Conflict of interest regarding article should be mention in the text.
