7	from literature	from the literature
7	maintains theoretical	maintains the theoretical

Comments to Editor :

1. After modifying the content, the paper can be accepted for possible publication.

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. In many places, sentences are started with abbreviations. When it is introduced, the full form should be given.
4. Authors need to Modify the Abstract and conclusion more appropriately.
5. In section three, sentences end with few numbers of the full stop, which needs to be removed.
6. Conflict of interest regarding the article should be mention in the text.

Comments to Editor :
