10	is more quicker	is quicker
10	from literature	from the literature

Comments to Editor :

1. After modifying the content, paper can be accepted for possible publication

Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. In many places, sentences are started with abbreviations. When it is introduced, the full form should be given.
4. Authors need to Modify the Abstract and conclusion more appropriately.
5. Authors are advised that the Introductory section should be specific
6. Conflict of interest regarding the article should be mention in the text.

Comments to Editor :
