Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. Authors are advised that the Introductory section should be specific
4. Authors need to Modify the Abstract and conclusion more appropriately.
5. Conflict of interest regarding the article should be mention in the text.

Reviewer 3: --

1. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged,
2. The authors are also advised to use tables and more diagrams to describe the topic better.
3. Again, the authors are also advised to use more recent references, as in the sector lot of research is going on, which is not showcased in this paper.
4. Conclusion should be written in a precise manner so that it should specify the aim and objective of the paper.
5. Conflict of interest regarding the article should be mention in the text.
